

# DECODROP

 **PRIMUS**  
*Shining Brighter, Together!*

## ENGINEERED FOR OUTDOOR WET ENVIRONMENTS

Decodrop is a fully ETL listed for wet, damp, and dry locations and is engineered to permanent outdoor exposure. A sealed cord grip system, UV-rated cord, and specification-grade components allow the fixture to withstand rain, moisture, and demanding exterior environments without compromising its decorative aesthetic.

## ARCHITECTURAL VERSATILITY

Designed as an open decorative pendant, Decodrop offers both exposed-lamp and enclosed shade options to suit a wide range of outdoor and interior applications. Its adaptable aesthetic integrates seamlessly into hospitality, landscape, commercial, and residential environments, providing flexibility without compromising performance.

## CUSTOMIZATION

With an extensive range of shade styles and finishes, Decodrop supports powder coat, brushed, raw, and custom RAL finished.

Interior and exterior shade surfaces can be finished in contrasting colors to create enhanced glow effects and project-specific visual impact.
